

## Coaches Funding

### Rationale

In order to grow the sport of badminton on PEI, Badminton PEI needs to ensure that a sufficient number of certified coaches are available for the various skill levels of players. It also ensures that there is continuity in training during all of the athletes' development. Badminton PEI will assist in supporting coaches who show a commitment in following the Badminton Canada's coaching pathway (e.g. Badminton Technical courses, Theory NCCP courses, Evaluations, etc.) and in coaching on PEI.

Pathways for which funding is available:

- Shuttle Time School Program (to coach children and youth in an educational setting)
- Competition Introduction – Regional (to coach various levels of players, introducing competitive badminton, as well as to coach at Junior/Senior Elite Series events)
- Competition Introduction – Provincial (to coach at National championship events)
- Competition Development (to coach at Canada Games)

### Eligibility

This funding is available to anyone, provided subsidy will not be received from another government or sport organization. Funding is not available to Phys Ed teachers as their courses should be subsidized by their school board/public school branch/department as part of their personal development.

### Process for Refund

1. An individual must fill Badminton PEI's *Coach Funding Application form* a minimum of 2 weeks prior to the course/evaluation taking place in order to state his/her intention in becoming a certified coach.
2. After successfully **completing a course/evaluation**, and submitting the receipt for its cost, Badminton PEI will refund 1/3 of the cost to the coach in training.
3. Upon **certification** (as indicated on the coach's certification on Coach.ca), the coach can apply for a second refund and Badminton PEI will refund 1/3 of the cost of all courses/evaluation taken to the certified coach.
4. Once the coach has been **actively coaching** PEI for a minimum of eight (8) cumulative months, the coach can apply for a final refund and Badminton PEI will refund 1/3 of the cost of all courses/evaluation taken to the certified coach.

### Form

The *Coach Funding Application form* used to apply for funding can be found on the Badminton PEI website.
